Performance of Automobile Industry

766. DR. V. MAITREYAN: Will the Minister of HEAVY INDUSTRIES AND PUBLIC ENTERPRISES be pleased to state:

(a) what is the overall performance of the automobile sector during the current financial year in the country;

(b) the total turnover of this sector in each of the various product range both in value and quantity;

(c) the individual performance of the leading industries of automobile both in public and private sectors separately during the current financial year;

(d) the main reasons for the slump in the sector; and

(e) the measures are being considered to improve this sector?

THE MINISTER OF STATE IN THE MINISTRY OF HEAVY INDUSTRIES AND PUBLIC ENTERPRISES (SHRI RAGHUNATH JHA): (a) and (b) As per information received from the Society

of Indian Automobile Manufacturers (SIAM), the automobile industry has witnessed, in quantitative term, a decline of (-)0.4% in domestic sales whereas production has increased by 2.32% upto January 2009 over the corresponding period last year. The turnover of the automobile industry, in rupee terms has also shown a decline in most of the segments. The overall performance and turnover of automobile sector wise is given in the Statement-I (*See* below).

(c) The individual performance of the leading industries of automobile sector is given in the Statement-II (*See* below). As per this, most of the companies have witnessed decline in growth in production and domestic sales up to January 2009 over the corresponding period last year.

(d) The main reasons of slump in automobile sector are:-

i. Lack of demand due to slow down of economy.

ii. Lack of availability of vehicle finance to the consumers.

iii. High interest rate, both for consumers and manufacturers.

iv. Lack of sufficient export pull due to global recession.

(e) Government of India has announced two stimulus packages for helping the Indian industry overcome the economic slow down. These measures also include the following for automobile sector:-

i. Across-the board cut of 4% in the *ad valorem* Cenvat rate upto 31.3.2009.

ii. Increase in liquidity through cut in CRR, Repo & Reverse Repo rate.

iii. Credit flow measure for easy availability of credit. In this regard, line of credit is also being provided to NBFCs through leading Public Sector banks for purchase of commercial vehicles.

iv. In order to generate direct demand of vehicles, Government of India has allowed Ministries/Departments to replace their old vehicles.

v. States are being provided assistance under the JNNURM for purchase of buses.

vi. Accelerated depreciation of 50% of commercial vehicles has been made applicable upto 30.3.2009.

vii. Government of India has also announced restricting DEPB rates to those prevailing prior to November 2008 and extending DEPB Schemes till 31.12.2009.

viii. In order to enhance flow of credit to MSMEs, the guarantee cover extended by Credit Guarantee Trust has been increased to 85% for credit facility upto Rs.5 lakhs. This will also help the micro, medium and small auto component enterprises,

ix. A line of credit of Rs.5000 crores has been extended to EXIM Bank for providing pre-shipment and post-shipment credit to Indian exporters at competitive rates.
